Overview of Gio’s Garden Services

Therapeutic Respite Program – Middleton, Sun Prairie & Verona
Gio’s Garden serves families with children with special needs ages birth through six years old of all developmental and physical disability diagnoses or delays by providing respite care to children who are currently on a waiting list for respite care or are not otherwise able to access adequate respite care.

Offering respite care for 3-4 hours shifts for each child in a professional, developmentally supportive, fun home-like group setting that encourages growth through play and socialization; Gio’s Garden provides the families with an opportunity for a short break. Gio’s Garden staff plan activities based on the children’s developmental needs and abilities. They work on socialization, motor skills, activities of daily life, emotional skills, and cognitive learning. The activities are adapted to meet the needs of each child. The staff try to incorporate individual goals each time a child attends Gio’s Garden. Gio’s Garden participates in activities on property, but also neighborhood walks and off-site field trips at places such as the library, swimming pool, fire station, and parks.

Date Night – Middleton
Gio’s Garden offers Date Night, an inclusive respite care opportunity for the child with special needs and their siblings (up to age 10). This is offered varying weeknights, regularly 5:00pm - 8:00pm. During Date Night staff plan a variety of activities, and a special movie night pajama party!

Individual Therapy – by appointment only
Gio’s Garden offers individual sessions to work one on one with children on developmental goals and topics as determined by the families and Gio’s Garden staff. Topics for individual sessions might include daily living skills, learning/ cognitive goals, motor skills, sensory regulation, social skills, etc. The Therapy Team consists of Art Therapists, Recreation Therapists and graduate students and staff in varying special needs fields.
History of Gio’s Garden
Gio’s Garden was created, by a group of parents, to address the gap between the respite needs of a family with a young child with special needs, and the respite services that are currently available to these families. Families with children with special needs are often placed on lengthy respite care waiting lists, struggle to qualify for enough hours of respite, or experience other challenges in accessing adequate respite care. At Gio’s Garden we want to fill this gap and meet the needs of children and families of Dane County and the surrounding areas. Thus, we are focused on assisting families who are receiving the fewest hours of respite and personal care assistance.

June 2012  Opened Middleton location
Provided more than 20,000 hours of service through 2016 to 100+ families

January 2017  Opening Sun Prairie Respite 2 Go location within CI Therapy building
January 2018  Opening Verona Respite 2 Go location within CI Therapy building

In addition, tornado drills shall be practiced during the tornado season, which is April through October.

Emergency Evacuation

The emergency backpack containing a flashlight, basic first aid supplies, battery operated radio, the day’s attendance form, and the list of phone numbers for parents and emergency contacts will be taken along to ensure that all children are accounted for and all families can be notified by phone. Children who are sleeping will be evacuated in the same manner.

Situations that warrant an emergency evacuation may include:
- Fire
- Gas Leak
- Loss of heat, water or electricity while children are in attendance
- Threat to the building or its occupants (e.g., bomb threat, bodily injury threat, etc.,)

If the center should lose the use of heat, water or electricity before the center opens; we will notify families whose children are scheduled for the day that we will be unable to care for their child until the situation is resolved. If the center receives a threat, law enforcement and parents will be immediately contacted to advise them of the threat. Depending on the nature of the threat, evacuation and/or closure may be required.

Lost Child
In the event of a lost child, we will check all areas of the center and the surrounding areas first. If the child cannot be found, the child’s parents and/or emergency contact, and the police, will be notified immediately. We will notify the Department within 24 hours after the occurrence.

Tornado Emergency
In an event of a tornado warning, children will be taken to an assigned area and Gio’s Garden staff will take the emergency backpack along. Blankets, a flashlight, and extra batteries for the flashlight and emergency radio are kept in the tornado shelter area or emergency backpack at all times. The attendance form and emergency contact information will be brought along in the emergency backpack.

If strong snowstorms are predicted, Gio’s Garden staff will work with parents to adjust pick up and drop off times, ensuring the safety of all involved. Gio’s Garden may make the decision to close if staff are not able to safely arrive at the center. If it is during school hours, we will follow snow cancellations for the Middleton School District. Weekends and evenings Gio’s Garden staff will consult and determine weather-related cancellations.

If an emergency arises where a staff, volunteer or intern needs to leave the facility, contact a lead Gio’s Garden staff. A minimum of one staff must always be with the children. See Emergency Backup Provider information if staff need to leave.
Visitor/ Guest/ Donation Drop off Policy
Gio’s Garden has many visitors including therapists, teachers, and caseworkers that work with the children outside of Gio’s Garden. Parents should schedule these visits ahead of time with staff. Some visitors work directly with the children, others are there to observe. All visitors must sign the “Visitor Log” in the entryway upon arrival.

Gio’s Garden asks that all guests schedule ahead for tours and meetings with the director or lead staff. If a guest does not have a pre-scheduled visit, staff will give them a business card and ask them to make an appointment. If staff are busy with children, they do not have to answer the door if there is no knowledge of a pre-scheduled visit.

Sometimes guests drop off donation items. Located on the front porch is a donation receipt for the donor. If staff are available, they are able to greet the guest and take the items. Otherwise, if staff are busy with children, they do not have to answer the door. There is a sign instructing donors to leave donations on the porch.

Parents
Parents are welcome to visit our program at any time during the hours of operation, unless parental access is prohibited or restricted by a court order. If so, we will need a copy of the order. We cannot legally limit access to a parent if there is not a copy of a court order on file at the center.

If the parent or other authorized person arrives to pick up a child, and that person appears to be intoxicated or under the influence of drugs, all reasonable steps will be taken to prevent the person from leaving with the child, including offering to call a cab or another contact person. While we cannot legally withhold a child from the legal guardian, we will not hesitate to call the local authorities if we feel the child is in danger.

Unauthorized Child Pick-Up
Children will only be released to persons listed on the enrollment form. If anyone other than the child's parent, or someone who is listed on the enrollment form, is to pick up a child, we need to be notified in writing or by a telephone call in advance. The person picking up the child may need to show a driver's license or other photo ID.

If unsure whether an individual is authorized to pick up a child:
- Look under the child's file for approved people to pick the child up.
- Ask for proof of identity such as a driver’s license
- If possible, distract the person long enough for another staff person to call the child’s parent to verify the authorization, or lack of, for this particular individual.

If the individual has already left the house with the child, let the child go. Write down a description of the unauthorized individual, the vehicle he/she is driving and a license plate number. Call the police immediately with the above information. Then call the Executive Director to inform them of the situation.

Suspected Child Abuse & Neglect Policy
Staff are required by law to report any suspected abuse or neglect or threatened abuse or neglect to a child seen in the course of their professional duties. Reports are made to the county in which the child or the child’s family resides. Anyone who suspects a child is being maltreated may make such a referral. Persons making reports in good faith are immune from criminal or civil liability. If a staff, volunteer, or
intern suspects abuse or neglect, please contact lead staff before asking the child any questions. The lead staff will assist in gathering any information needed, and will make the report with the staff/volunteer that had the original suspicion.

**Sudden Infant Death Syndrome (SIDS)**

If a replacement staff is not able to come in, lead Gio’s Garden staff may call the Backup Provider. A person who is within 5 minutes of Gio’s Garden will be named the Emergency Backup Provider, and will be called upon if the providers in the center need to leave in an emergency. When this person is named, he/she will go through a brief orientation touring the facility and learning where the emergency files are kept, procedures to reduce the risk of sudden infant death syndrome because we will be licensed to care for children under one year of age, along with any other important information. Immediately before being left with the children, the emergency backup provider will be oriented using the Family Child Care Emergency Backup Provider Orientation and Consent Form.
