

Federal Fiscal Year (FY) 2022 Funding for Programs Important to Family Caregivers

Listed below are the federal funding levels for select programs that support respite and family caregiver services directly and indirectly (not all programs are required to fund respite or caregiver services):

Program Name or Funding Source	Final FY 2021	Final FY 2022
Lifespan Respite Care Program	\$7.11 million	\$8.11 million
National Family Caregiver Support Program ¹	\$188.9 million	\$193.9 million
Native American Caregiver Support	\$10 .8 million	\$11.3 million
Aging and Disability Resource Centers	\$8.12 million	\$8.12 million
Aging Network Support Activities ²	\$16.5	\$18.5 million
University Centers for Excellence in Developmental Disabilities	\$42.1 million	\$42.1 million
CAPTA Community- Based Child Abuse Prevention Grants (CBCAP) ³	\$60.7 million	\$65.7 million
Promoting Safe and Stable Families (Discretionary)	\$82.5 million	\$82.5 million
Promoting Safe and Stable Families (Mandatory ⁴)	\$345 million	\$345 million
Maternal and Child Health Block Grant (MCHBG)	\$712.7 million	\$747.7 million
Title XX Social Services Block Grant (SSBG)	\$1.7 billion	\$1.7 billion
AmeriCorps Seniors (CNCS)	\$225 million	\$230.7 million

¹ Includes \$400,000 for the **RAISE Family Caregiving Advisory Council** to continue work on the National Family Caregiver Strategy.

² Includes \$4 million for the **Caregiver Community Care Corps**.

³ Respite is identified as a 'core' prevention service in the **CBCAP** authorizing law.

⁴ Mandatory funding - levels written into law, generally for a 5-year period. Appropriators unlikely to change levels.

The enacted funding bill also includes:

- A request for the Centers for Medicare and Medicaid Services (CMS), in consultation with the Office of the Assistant Secretary for Planning and Evaluation, to provide a report to the Appropriations Committees within 180 days of the enactment of the Act on the current capacity and best practices for the provision of **hospice respite care, including in the home**; and
- Encouragement for ACL to coordinate with the Department of Labor to identify and reduce barriers to entry for a **diverse and high-quality direct care workforce**, and to explore new strategies for the recruitment, retention, and advancement opportunities needed to attract or retain direct care workers.

For additional program funding levels for the Department of Health and Human Services and other federal agencies included in this conference agreement, see tables in the Division H-Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act, 2022

National Respite Coalition, March 2022
