Comments by participants:

- **What Worked:**
 - “The caregiver presenters did a great job telling their story. The breakout rooms were helpful. Resources were offered for follow up assistance. Thank you.”
 - “The Summit provided many different outlooks and opinions, as well as many ideas for outreach and improvement on ways to get the much needed information out to the community.”
- **Would like to know more about:**
 - Finances and financial assistance.

- How to deal with a critical / argumentative family member without losing your mind or temper.
