

Caregiver Support Service Assessment

Metropolitan Caregiver Service Collaborative - Caregiver Support Service As...

Dear Caregiver Service Provider,

This survey is being conducted by the Metropolitan Caregiver Service Collaborative, which is an informal collaboration of caregiver service providers who come together to share knowledge, promote caregiver services, and strengthen public policies for family caregivers.

As part of an initiative funded by the United Way, we are conducting this survey to document all existing support services available in the 9-county metropolitan area* for informal caregivers across the lifespan. Caregivers are defined as unpaid family, friends and community members caring for a frail, disabled, or chronically ill individual or a child with special needs.

This information will assist the Metropolitan Caregiver Service Collaborative in offering resources, networking and training to organizations supporting caregivers. The survey results will also assist local funding organizations in identifying organizations who should receive request for proposals for caregiver support services.

If you are interested in receiving a copy of the survey results in order to learn more about the caregiver services available in your community, be sure to include your contact information at the conclusion of the survey.

The survey takes approximately 10 minutes to complete.

Please be sure that the survey is completed by the key caregiver services contact in your organization. You will be asked to provide some service statistics (i.e. an estimate of the number of caregivers your organization served in the past year), and you may want to gather that information before beginning the survey.

We thank you for your time,
Metropolitan Caregiver Services Collaborative

*9-county metropolitan area includes: Anoka, Carver, Chisago, Dakota, Hennepin, Isanti, Ramsey, Scott and Washington.

Caregiver Support Service Assessment

Organization Information

***1. Name of your organization:**

***2. Is your organization a non-profit or for-profit organization?**

Non-profit

For-profit

Other (please specify)

***3. Geographic Area Served:**

Select the county or counties in which your organization provides services.

Anoka County

Carver County

Chisago County

Dakota County

Hennepin County

Isanti County

Ramsey County

Scott County

Washington County

Other (please specify)

Caregiver Support Service Assessment

Caregiver Support Services

***4. What population(s) of caregivers does your organization serve? Please check all that apply.**

- Caregivers of Older Adults (age 60 and over)
- Caregivers of Adults with Disabilities, i.e. physical, developmental, mental health
- Caregivers of Adults with Chronic Illness, i.e. epilepsy, Parkinson's, multiple sclerosis, dementia

Caregiver Support Service Assessment

Caregiver Service Capacity

16. If your organization serves multiple populations of caregivers, how integrated* would you say these various caregiver support services are?

***Integrated could mean services to different populations are provided by the same staff, department or unit OR it could mean that different staff, departments or units work together across your organization to provide service.**

- Do not serve multiple populations of caregivers
- Not at all integrated
- Somewhat integrated
- Mostly integrated
- Completely integrated

***17. How often have caregivers requested caregiver support services that are not provided by your organization?**

- Never
- At least once per month
- At least once per week
- Daily
- Other

What services have been requested?

***18. How often have caregivers requested caregiver support services that are not available in your community?**

- Never
- At least once per month
- At least once per week
- Daily
- Other

What services have been requested?

Caregiver Support Service Assessment

19. If you were able to expand your organization's services to offer more support to caregivers, what services would you add?

	New Service	Increase Number Served
Caregiver Education	<input type="checkbox"/>	<input type="checkbox"/>
Care Management	<input type="checkbox"/>	<input type="checkbox"/>
Coaching/Consultation	<input type="checkbox"/>	<input type="checkbox"/>
Caregiver Support Groups	<input type="checkbox"/>	<input type="checkbox"/>
Caregiver Celebrations, Conferences or Retreats	<input type="checkbox"/>	<input type="checkbox"/>
Family Meeting Facilitation	<input type="checkbox"/>	<input type="checkbox"/>
Health and Wellness Programs	<input type="checkbox"/>	<input type="checkbox"/>
Information and Assistance	<input type="checkbox"/>	<input type="checkbox"/>
Professional Counseling or Therapy	<input type="checkbox"/>	<input type="checkbox"/>
Respite Services	<input type="checkbox"/>	<input type="checkbox"/>
Social Media or Online Resources	<input type="checkbox"/>	<input type="checkbox"/>

Other (please specify)

- Individual Donor Contributions
- Private or Corporate Foundation
- United Way
- Waiver Fee for Service, i.e. Elderly Waiver, CADI, AC, etc.
- Older Americans Act Title III
- Veterans Administration Funding
- Other County Funding
- Other State Funding
- Other Federal Funding
- Private Pay
- Other (please specify)

Caregiver Support Service Assessment

Metropolitan Caregiver Service Collaborative

The Metropolitan Caregiver Service Collaborative (MCSC) is a voluntary organization made up of member agencies committed to supporting informal caregivers.

The purpose of the Metropolitan Caregiver Service Collaborative is for caregiver service providers to come together to share knowledge, promote caregiver services, and strengthen public policies for family caregivers.

Together MCSC members engage in the following activities:

- Promoting caregiver services through outreach
- Increasing public awareness of the issue caregiving
- Advocating for public policies that support informal caregivers
- Increasing members' knowledge through educational opportunities

Our membership currently consists primarily of organizations supporting caregivers of older adults, but we are seeking to expand our membership to include organizations supporting caregivers across the lifespan.

21. If your organization is not currently a member of Metropolitan Caregiver Service Collaborative, what would make joining the collaborative most beneficial?

Training and Education

Policy Advocacy

Joint Outreach Efforts

Networking Opportunities

Other (please specify)
