Introductions and Welcome to New Members

A little history of the Sustainability Planning Group and Goals

- Formed in 2018 and guided by the following goals.
 1. Learning Collaborative members will develop sustainability plans, or will refine or complete existing sustainability plans.
 2. Learning Collaborative members will identify planning group members, and tasks necessary to develop, complete, or refine sustainability plans.
 3. Learning Collaborative members will actively ask questions, share progress and written plans, and share knowledge, with members of the learning collaborative.

Implications of Covid-19 on Sustainability Planning

- Review and discussion of preliminary findings from The Break Exchange survey of respite providers and the impact of Covid-19 on their work.

Member Bring, Brag and Borrow

- As you report in, feel free to reflect on the progress you have made, and brag about your considerable achievements.

Going Forward

Think about anything you would like to change—focus, activities, meeting times, goals going forward.
