

**Attachment B: FFY 2017 Lifespan Respite Network Work Plan
Agency Name: Southwest Nebraska Public Health Department**

- **Goal** Address lack of appropriately trained and Network screened respite providers.
- **Major Outcome(s)** By training a significant number of providers we will be able to more easily match families with trained providers.

Objective (what you want to achieve – brief & specific)	Strategy or Activity (how)	Collaborative Involvement (who & how)	Outcome Measurement (volume, numbers produced)	Evaluation Criteria (how to tell if work is actually making a difference)	Date Occur / Completed
Provide trainings in the southwest service area that address behaviors, chronic illnesses and specific disabilities to meet the needs of families. 1-1	Research trainings by High Plains Partnership, OMNI, Region 2 and/or other entities that offer trainings on the following topics: behaviors, chronic illnesses and specific disabilities to be added on nrrs.ne.gov/respitesearch/Provider Calendar . 1-1a	Respite Coordinator, SWNPHD staff, Respite Advisory Board, High Plains Coordinator, OMNI, Region 2 Behavior Health, BHECN, Speak Out	A minimum of 6 trainings will be added to the calendar.	Request certificates of completed trainings from providers and upload on eLR.	Ongoing Q1 Post ADHD 8-8 Q2 Q3 Q4
Demonstrate collaboration with an institution of higher learning to recruit and train students as respite providers. 1-2	Develop a partnership with Mid Plains Community College to establish effective ways to target students to recruit and train them in becoming providers for the Network. 1-2a	Mid Plains Community College, Respite Coordinator	Meet with 1 college person and present to at least two student groups/classes.	Track the number of students who become providers and provide respite within 60 days of the training.	Q3 Met w//Sharon K. 9-7 Visited with Brett 9-7 Talked with Kathy 9-13 (invite career fair Nov) Presented to CNA 9-28
Make cross system trainings available thru the internet to be more accessible to providers. 1-3	Research cross system training opportunities for providers quarterly. Post appropriate trainings to the	Respite Coordinator, SWNPHD staff, Respite Advisory Board members,	At least 4 respite trainings will be posted for providers to utilize during FY17.	Increase Network provider completion of available cross-system training opportunities. Request certificates of	Ongoing Q1 Self Care for Caregivers and Service Providers Webinar 8-15

	nrrs.ne.gov/respitesearch/Provider Calendar. 1-3a	Providers, Caregivers, Program Partners		completed trainings from providers and upload on eLR.	Q2 Q3 Q4
Demonstrate efforts to encourage licensed foster parents and active Medicaid providers to also provide respite care. 1-4	Conduct a meeting with region foster care supervisor to discuss licensed foster parents becoming network approved and REST trained providers. 1-4a	Respite Coordinator, Foster Care Supervisor	Meet with 1 foster care supervisor and present with at least two foster care classes.	A minimum of 3 foster parents will become respite providers and complete the REST training.	Q3, Q4
	Continue partnership with the Area Agency on Aging Office on sharing providers between agencies. 1-4b	Respite Coordinator, AAA staff, Respite Advisory Board	Meet with Area Agency on Aging personal to share providers in FY17.	A minimum of 3 providers will become approved providers in the southwest service area.	Q1 Meeting w/ Billie 8-22 List of providers in Lincoln County
	Develop a partnership with Resource Developers to share providers between agencies. 1-4c	Respite Coordinator, Resource Developers	Meet with Resource Developers personal to share providers in FY17.	A minimum of 2 providers will become approved provider in southwest service area.	Q3
Engage in regular activity with respite providers to encourage retention. 1-5	Continue to send provider survey with renewal application. 1-5a	Respite Coordinator, providers	By the 15 th of each month when a renewal application is due it will be sent to the providers with the survey.	By receiving feedback from provider surveys this will help with identifying gaps/barriers in the respite system. Annually the RC and Board will review surveys and modify changes appropriately.	Ongoing Survey's Sent Q1 Scott Moyer Q2 Q3 Q4 Survey's Returned Q1

					Q2 Q3 Q4
	Postcards with upcoming trainings and videos will be created and sent to providers quarterly. 1-5b	Respite Coordinator, current providers, SWNPHD staff	Quarterly postcards will be sent to current respite providers.	By contacting current providers quarterly this will aide in retaining them during the present fiscal year.	Ongoing Q1 Sent 8-19 Q2 Sent 10-19 Q3 Q4
Solicit input from Advisory Committee, Network & Lifespan Respite Subsidy providers, family caregivers, and system partners on Nebraska's Long Term Services and Supports (LTSS) Redesign for the topic of "Network provider collaborations". Submit local Network recommendations by November 30, 2016 that reflect involvement of stakeholders. 1-6	Attend any stakeholder meetings in our area or that are held statewide by phone or webinar. When information from stakeholder meetings is received from the statewide coordinator, pass it on to the Medicaid and Long Term Care contact. As gaps are identified, invite speakers who can address the issue and formulate a plan to assist with any gaps respite can help with to keep people in their homes. 1-6a	Respite Coordinator, SWNPHD staff, Respite Advisory Board, Family Caregivers, Network Providers, Stakeholder Meetings	By November 30, 2016 submit recommendations based on the information we have obtained.	Recommendations will be entered in eLifespan Respite by November 30, 2016.	Q2 Sent Letters to caregivers 53 on 9-12 Sent letters to providers 21 on 9-15 Attended LTSS Meeting on 9-20 Work Group 10-14 Ask Sharon about report?
Increase the number of volunteer providers and local Network organizations contributing respite data	Research throughout SW region who offers respite: organization, camps, agencies, etc. that serve individuals	Respite Coordinator, SWNPHD staff, Respite Advisory Board	A minimum of 5 organizations, camps and related agencies will be added to the Data Dashboard.	Increasing the number of groups entered into the Data Dashboard will increase respite data for families to be able to	Q4

to the Respite Data Dashboard. 1-7	and families with disabilities. Information collected will be entered into Data Dashboard. 1-7a			utilize.	
Increase the number of REST trained providers. Of those who complete the training, increase the number providing respite within 60 days of completing the training. 1-8	REST trainings will be offered for individuals in Southwest service area. 1-8a	Respite Coordinator, SWNPHD staff, Respite providers, Respite caregivers	A minimum of 2 REST trainings with a minimum of 5 participants will be offered to individuals in Southwest service area.	Have 5 Rest Trained providers with at least two matched to a caregiver needing respite within 60 days of trainings.	Q2, Q4 News Release-9-7 (6 papers in HD area) Radio 9-8 (2 radio stations) REST cancelled 10-8 only 1 person signed up
Increase the number of approved providers by attending resource/health fair/presentations in communities. 1-9	Continue to attend resource/health fairs/presentations within communities to perform outreach to providers in the Southwest Service area. 1-9a	Respite Coordinator, SWNPHD staff	A minimum of 6 outreach efforts will be conducted in southwest service area.	A minimum of 3 providers will become approved provider in southwest service area.	Ongoing Q1 Q2 Vector Presentation 10-6 Q3 Q4

- **Goal** Promote respite services programs, agencies serving individuals unable to care for themselves, families, and respite care advocates to encourage efficient provision of respite services and reduce duplication of effort.
- **Major Outcome(s)** Increase awareness and outreach efforts within the southwest service area for family caregivers.

Objective (what you want to achieve – brief & specific)	Strategy or Activity (how)	Collaborative Involvement (who & how)	Outcome Measurement (volume, numbers produced)	Evaluation Criteria (how to tell if work is actually making a difference)	Date Occur
