

CareBreaks

Supporting Those Who Support Our Veterans

**Office of Community Services and Catholic Charities
Diocese of Providence**

*If you are caring for a disabled veteran over 60 years old
or a veteran with Alzheimer's, CareBreaks is here to help.*

CareBreaks can help family caregivers arrange for, and perhaps help pay for, a break. A break for a caregiver may include bringing a volunteer or paid worker into the home, arranging for your loved one to attend a safe day program, or even placing your loved one in an overnight facility for a short period of time.

Qualified Veterans are...

- Rhode Island residents
- Being cared for because of a disability or severe illness
- Not eligible for (or have used up an allocation of) respite care from other state or federal programs

Call 401-421-7833

Monday—Friday, 8:30AM to 4:30PM and ask for CareBreaks

CareBreaks is funded by a grant from the
Federal Office of HHS, Administration on Aging
In partnership with

The State Division of Elderly Affairs, The Parent Support Network, United Way 211
The POINT, The Office of Community Services and Catholic Charities
