New Mexico Respite Provider Registry

Welcome to the New Mexico Respite Provider Registry.

New Mexico Caregivers Coalition waives all liability for any respite provider — individual or agency — hired through this respite provider registry. It is the consumer's/care recipient's responsibility to conduct due diligence on the individual or agency prior to employing them. New Mexico Caregivers Coalition strongly encourages consumers/care recipients and/or their family members to conduct a background check and to obtain references before hiring any individual or agency from this registry.
