

2025 National Lifespan Respite Conference
April 1-3, 2025 ✨ Huntsville, AL

Dear Friend of Respite,

We invite you to take advantage of a unique opportunity to support the nation's family caregivers by becoming a conference partner to support the **2025 National Lifespan Respite Conference** hosted by the ARCH National Respite Network and Resource Center and **Alabama Lifespan Respite (ALR)** – a program of UCP Huntsville. The conference will be held at the **Westin Huntsville in Huntsville, AL, on April 1-3, 2025.**

The 2025 conference builds upon the 2022 release of the **National Strategy to Support Family Caregivers** by the Administration for Community Living. The conference theme, **RAISE and Engage – Launch Respite Now!**, is not only a nod to the incredible history of the space industry in Huntsville, also known as Rocket City USA, it is a call to action. The National Strategy includes nearly 500 actions that can be adopted at every level of government and across the public and private sectors to advance respite care and other supports to strengthen the nation's more than 53 million family caregivers. The conference will bring together thought leaders and experts from the aging, disability, family caregiving, family support, and respite fields to explore real-life solutions to address the recommended respite actions in the National Strategy.

The conference partnership and exhibitor opportunities provide you and your organization the ability to reach hundreds of conference participants from across the U.S. who are leading the work in respite, family caregiving, home- and community-based care, direct care workforce, and other long-term services and supports. Boost your visibility in this market through a conference sponsorship that provides unique prospects to network, brand, market and advertise.

A variety of partnership/sponsorship and exhibitor options are described in the attached materials. Please consider sponsoring or exhibiting at the 2025 National Lifespan Respite Conference to help **Launch Respite Now**. For more information, please visit the Sponsorship and Exhibitor Information link on the [conference website](#).

Thank you for your consideration and support,
