

Support for FY 2027 Lifespan Respite Funding

30-second Call Script

Hello, my name is [Name], and I'm a constituent from [City/State].

I'm calling to urge the Representative to sign onto the bipartisan Dear Colleague letter from Debbie Dingell and Brian Fitzpatrick requesting \$20 million for the Lifespan Respite Care Program in FY2027.

This program helps states expand respite services that give family caregivers a critical break and help them continue caring for loved ones at home.

The deadline to sign the letter is Monday, March 23rd, so I hope the Representative will contact Rep. Dingell's or Rep. Fitzpatrick's office to be added before that date.

[Optional: One sentence personal story about caregiving or respite.]

Thank you for passing my message along to the Representative.
